RECHTSKULTUREN: Confrontations beyond Comparison is an initiative of the Berlin Research Network Recht im Kontext at the Forum Transregionale Studien, Wissenschaftskolleg zu Berlin.

The program is funded by the Land of Berlin (Senatsverwaltung für Bildung, Wissenschaft und Forschung) and associated with the Faculty of Law at Humboldt-Universität zu Berlin and the Department of Social Sciences (Urban Sociology) at Humboldt-Universität zu Berlin.

RECHTSKULTUREN integrates, as a network of interdisciplinary research on law, systematic and area-specific approaches. The program explores the foundations and contexts of law in a plural world where competitive and complementary multiplicities of legal and normative orders are part of social reality.
